

Deux Par Deux Gear Order Form

We are exploring the possibility of placing a group order with Deux par Deux, a Canadian company based out of Montreal that offers high-quality, well-made clothing and outdoor wear for all seasons.

If there is enough interest from our families to meet the \$700 minimum order requirement, we will submit a group order on November 6th.

Please complete the attached order form if you are interested in purchasing any items. Once we determine whether we have enough interest to meet the minimum, we will confirm if the group order will proceed and we will collect payment then.

Thank you!
